

About me

- My name is Michael Perzl.
- I am 52 years old, married with two children and live in the north of Munich, Germany.
- I hold a Master's degree in Computer Science and a Ph.D. in Mathematics, both from Technical University Munich.
- I work for IBM Germany.
- In my spare time I am doing this website for fun and because I like IBM Power Systems, AIX and Linux on Power.
